Please provide your Employer Reference Number (ERN)*

Nature of the
business

Does the business conduct any activities other than those of an office based professional, i.e. is any manual work undertaken?

Yes

No

If 'Yes', please provide details below:

*Please note it is a legal requirement to disclose the ERN of your company and any subsidiary companies covered under this policy. Also known as an Employer PAYE Reference, the format of the ERN is usually 999/XX99999 or 999/X99999 and can be found on P45/P60 documents and most payslips. The Employer Reference Number should be provided to us in full. Where you have Employers' Liability cover but your business is exempt from holding an Employer Reference Number you will need to confirm this to us.

2 Sums Insured

Cover is available in the three packaged options detailed below; alternatively cover can be provided under our Commercial Office product where you can specify your limits in order that we may provide a bespoke quotation. For more information about our Commercial Office product please contact your broker or adviser.

7 Statement of Fact

By accepting this insurance you confirm that the facts stated below are true. These statements, and all information you or anyone on your behalf provided before PI Protect agreed to insure you, are incorporated into and form the basis of the policy.

If anything in these statements is not correct, PI Protect will be entitled to treat this insurance as if it had never existed.

If you are in any doubt as to whether you are able to comply with the following statements please contact us for advice or provide additional information in a separate note attaching to this proposal.

You should keep this Statement of Fact for your records.

Facts

7.1 Losses

You have not:

- a) sustained any loss, damage or claim against you;
- b) become aware of any shortcomings in your work which could lead to a claim against you in respect of risks insured under this policy (whether or not you made a claim under any previous insurance).

7.2 Security

The security measures at all the insured location(s) comply with the following criteria:

Physical Security Specification

The devices for the security of your premises are in accordance with the following specification and all devices are put into full and effective operation whenever the premises are closed for business or left unattended.

- a) The final exit door must be secured by means of a mortice deadlock or rim lock conforming to or superior to BS3621 or a key operated multi-point locking system having at least 3 locking bolts.
- b) All other external doors and internal doors providing access to any part of the Building not occupied by the Policyholder must be secured by means of either a locking device, specified in (a) above, or by two key operated security bolts to engage the door frame.
- c) Any external door, or internal door providing access to any part of the Building not occupied by the Policyholder must be secured by means of either a panic bar locking system incorporating bolts which engage both the head and sill of the door frame or by a mortice lock having specific application for emergency exit doors and which is operated from the inside by means of a conventional handle and/or thumb turn mechanism.
- d) All ground and basement level opening windows and any upper floor opening windows/skylights accessible from roofs, balconies, fire escapes, canopies, down pipes and other features of the building are to be secured by means of either a key-operated locking device or permanently screwed shut.
NB: This requirement does not apply to windows and/or skylights that are protected by means of either fixed round or square section solid steel bars not more than 10cm apart, or fixed expanded metal, weld mesh or wrought ironwork grilles or proprietary collapsible locking gate grilles.
- e) The local fire authority must be consulted before replacing or augmenting the existing locking device fitted to a designated emergency exit door.

7.3 Location/ Construction

All of the buildings are constructed with external walls of brick, stone or concrete and roofed with slates, tiles or profile metal.

The premises are not in an area prone to flooding or with a history of flooding, and not in the immediate vicinity of any river/watercourse.

The premises have not, to your knowledge ever flooded/show signs of having been flooded.

Note

You do not store any goods or products on your premises (other than your own business supplies). You do not assume responsibility for the storage of third party property.

8 Data Protection

By signing this Proposal Form you consent to PI Protect using the information they may hold about you for the purpose of providing insurance and handling claims, if any, and to process sensitive personal data about you where this is necessary (for example health information or criminal convictions). This may mean they have to give some details to third parties involved in providing insurance cover. These may include insurance carriers, third-party claims adjusters, fraud detection and prevention services, reinsurance companies and insurance regulatory authorities. Where such sensitive personal information relates to anyone other than you, you must obtain the explicit consent of the person to whom the information relates both to the disclosure of such information to PI Protect and its use by them as set out above. The information provided will be treated in confidence and in compliance with the Data Protection Act 1998. You have the right to apply for a copy of your information (for which PI Protect may charge a small fee) and to have any inaccuracies corrected.

9 Material Information

Please provide us with details of any information, which may be relevant to our consideration of your proposal for insurance. If you have any doubt over whether something is relevant, please let us have details.

10 Declaration

Please read the declaration carefully and sign at the bottom.

I/We declare that (a) this proposal form has been completed after proper enquiry; (b) its contents are true and accurate and (c) all facts and matters which may be relevant to the consideration of our proposal for insurance have been disclosed.

I/We undertake to inform you before any contract of insurance is concluded, if there is any material change to the information already provided or any new fact or matter arises which may be relevant to the consideration of my/our proposal for insurance.

I/We understand that non-disclosure or misrepresentation of a material fact or matter will entitle PI Protect to avoid this insurance.

I/We agree that this proposal form and all other written information, which is provided, are incorporated into and form the basis of any contract of insurance.
